SUMMARY

Business Analytics student at FAST-NUCES, CFD Campus (CGPA: 3.56), with hands-on experience as a Teaching Assistant for Business Math-I. Proven ability to deliver impactful projects — including an award-winning sustainability pitch (BizBlitz) and a Marketing Expo Best Stall winner.

PROFESSIONAL EXPERIENCE

Teaching Assistant — Business Mathematics I

08/2025 – 12/2025

• Assisted 30+ junior students in understanding Business Math concepts including linear algebra and systems of equations

FAST NUCES CFD Campus

- Reviewed and graded assignments on Gaussian elimination and matrix operations
- Developed explanations and worked examples to improve student understanding

EDUCATION

Bachelor in Business Analytics

08/2024 – 06/2028

FAST NUCES CFD Campus

Faisalabad, Pakistan

Bachelor of Science in Business Analytics is a 4-year undergraduate program focused on data-driven decision making, statistical analysis, business intelligence, and strategic management. The program covers core areas including mathematics, economics, finance, and analytical tools to prepare graduates for data-centric business roles.

SKILLS

- Data Analysis (Excel)
- Data Visualization
- Critical Thinking
- Microsoft Office
- Python
- Financial Ratio Analysis
- Time Series Forecasting
- Problem Solving
- Team Collaboration

LANGUAGES

English — Fluent

Urdu — Native/Bilingual

PROJECTS

Python-Based Restaurant Management & Forecasting System

10/2025 – 12/2025

Developed a Python-based Restaurant Menu & Order Management System (PF Lab final project) featuring order processing, automated billing with tax/discounts, inventory tracking with low-stock alerts, and basic demand forecasting. Strengthened skills in Python, data structures, and modular design.

SmartEssentia Marketing Strategy & Business Plan

05/2025 – 06/2025

Developed a full marketing and business plan for SmartEssentia — a startup targeting urban families and students with affordable everyday products. Conducted SWOT, PESTEL, and STP analyses with a complete 4Ps strategy. Executed a promotional market stall that won "Best Stall" award at the university Marketing Expo.

AWARDS

Silver Medal

FAST-NUCES, CFD Campus

Awarded Silver Medal for outstanding academic performance in the 3rd semester with an SGPA of 3.79, ranking among the top students of the BS Business Analytics cohort.
